## ACCOMPLISHMENT GAME

**It's about your action plans and it's about *action*.**

**The Accomplishment Game Coaching Group will give you the opportunity to create and launch a personal victory, as well as provide the opportunity to co-create with others who are on the same path. Over the course of each week, the participants define and follow through on three steps toward their goals, adjusting as necessary so that it's impossible to fail.**

**In addition, a common game will be played each week which will help individuals discover that the lessons they learn while playing the game are the very tools they use to make their projects *and their lives*, leap ahead.**

**Invite some of your friends and colleagues to join the group so that they too may enjoy the level of accountability, fun, team relationship and accomplishment.**

(Minimum of five participants required.)
